[illegible]

The graph shows two curves on a coordinate plane with a grid. Both curves start at the same point on the y-axis. The upper curve is concave up, and the lower curve is concave down. They diverge as they move to the right.

[illegible]

[illegible]A large grid of graph paper, consisting of 12 columns and 12 rows. A large, bold, black 'X' is drawn across the right side of the grid, starting from the bottom-left corner of the grid and extending towards the top-right corner. The 'X' is composed of two intersecting diagonal lines.
